

Faculty Feedback taken for the year 2023-24

The faculty feedback of IMI-Kolkata was taken over a period of one month.

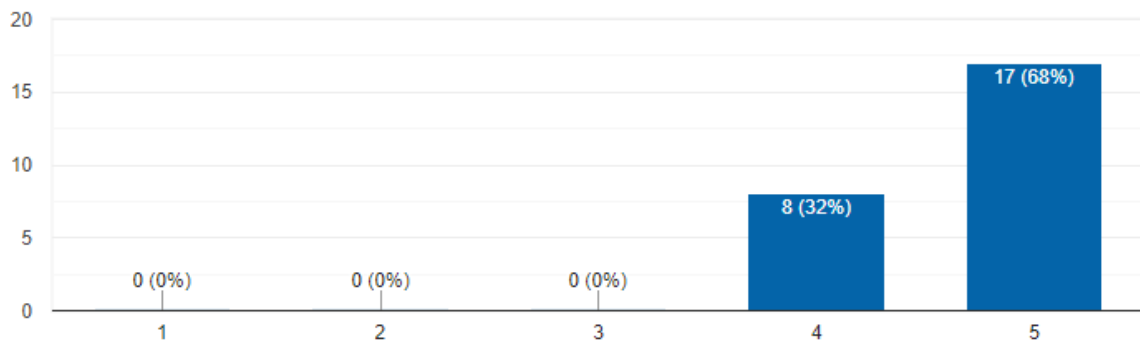

The total number of respondents was 25. Data were collected on 5-point Likert Scale, where “5” indicates “Excellent” and “1” indicates “Poor”.

The following parameters were taken into consideration for collecting the feedback:

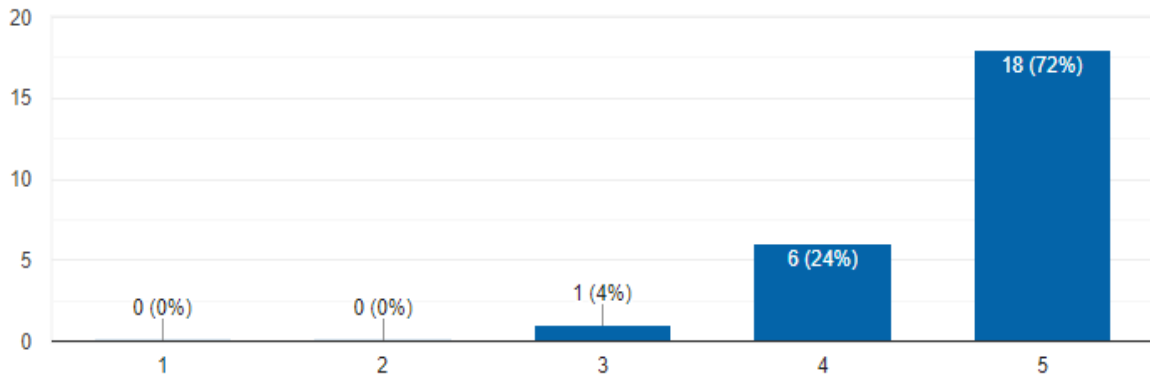

SL No.	Parameters
1	Perception about the curriculum
2	Research opportunities/support given by the Institute
3	Satisfaction with Career Growth Opportunities provided by the Institute
4	Opportunities for Faculty Development Programme given by the Institute
5	Industry Collaboration opportunities are given by the Institute
6	Opportunities for teaching in the Executive Programme by the Institute
7	Satisfaction with Teaching-Learning Infrastructure
8	Satisfaction with the availability of Research Resources
9	Satisfaction with Academic Process Management
10	Perception of Work-Life Balance
11	Satisfaction with benefits provided by the Institute
