MESSAGE FROM THE DIRECTOR

Dear Alumni Achievers,

Hearty welcome from your beloved Alma Mater. Since 2013, eleven batches have graduated from IMI Kolkata and walked into the business world to prove their mettle beyond the campus walls, while carrying with them the fortunes of the Institute. I thank all of you for being an important part of IMI Kolkata. I know you personally from our classroom experiences and thereafter I have interacted with many of you on different occasions. Meeting you has always been a wonderful experience!

The bond between an Institute and its Alumni is forever. Today when we browse through professional social media platforms like LinkedIn, for success stories in the different corners of the world, we are happy to note that you are the author of one such story. I am sure you have made your bosses, peers and organizations proud and take a notice of your institutional brand called IMI Kolkata. For us, it is always wonderful to see IMI Kolkata through your success and growth, both professionally and personally. The campus may have let you go after your course completion, but we remain hopeful that you will come back to connect with IMI Kolkata and inspire the new students. This comeback not only helps us to connect, but also to expand our thought process, raise the bar, match industry requirements, and design & deliver an industry-oriented education. Towards this end, we strive to be in continuous touch with you and seek your feedback from time to time.

You are the greatest ambassador of the Institute. We embrace you as one of the key stakeholders in our growth. Let us stay connected, participate in and support the programs, activities, services and events of the Institute as we commit ourselves to take IMI Kolkata to greater heights.

Mohua Banerjee

MESSAGE FROM THE HEAD OF ALUMNI RELATIONS, IMI-K

On the occasion of the 11th National Alumni Meet (NAM 2025), I extend my heartfelt gratitude to each one of you for your invaluable contributions in strengthening the bond among the Institute, its students, and esteemed alumni of IMI Kolkata.

The recent global changes have underscored the importance of resilience and agility for individual survival. It fills me with pride to see that the alumni of IMI Kolkata are effectively applying the learnings from our programs to their professional lives and experiencing growth and advancement. Throughout your time at IMI Kolkata, many of you have served in various committees, clubs, and teams, bringing diverse perspectives from different parts of India.

While our alumni now work across various domains and roles, the fundamental values remain unchanged. Our alumni are dedicated to serving their professions, believe in equitable access and opportunities, and are driven by a passion to make a difference — values that unite us all. Your unwavering commitment to these principles has been evident through your support for fellow alumni and current students of IMI, whether through mentoring or other institutional initiatives.

Your cooperation, active participation, and accomplishments have set a high standard for future batches to aspire to, and we eagerly anticipate witnessing their progression to new heights in the days ahead.

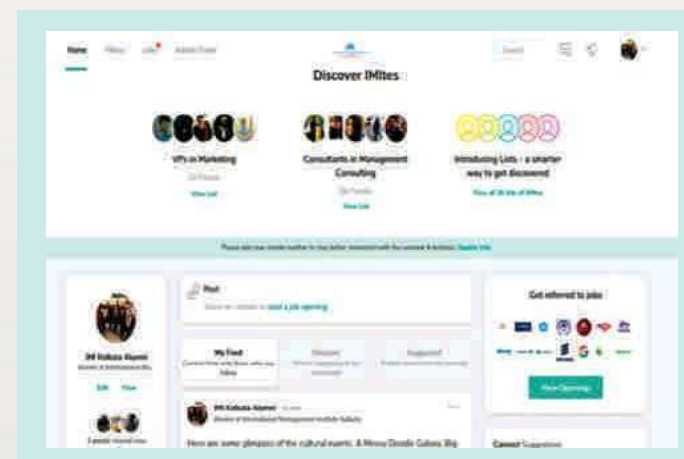

I wish each of you continued success in your endeavours!

ALMACONNECT

IMI Kolkata is continuously striving towards strengthening its alumni base by undertaking efforts to connect to them on various platforms. The digital platform, Alma Connect is one of the most important mediums through which the Institute facilitates a connection between alumni across batches in the most effective way. IMI Kolkata is seeing a tremendous growth in its alumni connections on Alma Connect with each passing batch. We invite you all to join Alma Connect to strengthen this connection. Few of the most prominent features of Alma Connect are:

- Job referrals - Alma Connect automatically fetches job openings in companies where IMIK alumni work. You can further find openings you are interested in and can get referred by the alumni working there.
- Refresh memories - You can find pictures of events that happened in the past on a timeline format and browse through the years you were in the campus and re-live your nostalgic moments with your friends.
- Post updates - You can post updates and filter your audience based on requirements. Further you can follow alumni, students, faculty members to get updates from.

ALUMNI COMMITTEE CAMPAIGNS

IMIK Alumni Relations Committee now have its very own LinkedIn page aiming to further strengthen and make new relationship with our distinguished alumni base. Our LinkedIn page aims at establishing strong connections in the professional ecosystem between the Alumni, the Institute and its students. LinkedIn can serve as a one spot destination for the IMIK community to come together and connect. It will also help in keeping each other updated on new achievements and job postings.

This LinkedIn page primarily helps the students and learners to take a step forward in the corporate world. We give our best in giving exposure through various events which make our students accustomed to face the professional domain.

MILAAP: IMI Kolkata has cherished the contribution of its distinguished alumnus who have stayed in our hearts over the years. On the evening of November 10, 2024, MILAAP 7.0 brought together Ms.Aastha Agarwal, Founder at Eponic Supply; Ms. Aishwarya Agrawal, Management Trainee HR at PCBL; Ms. Daniya Nizam, Risk Advisory Associate at Grant Thornton INDUS and Mr. Rahul Gogoi, Risk Advisory Associate at Grant Thornton INDUS of batch 2022-24.

INFOBYTES: These are series of posts on our linked feed wherein we share some mind blowing insights into the business and corporate world. We present some concepts which depict the practicality when they will enter the managerial domain.

FESTIVAL CONNECTIVITY : We connect with our alumni base here on different festivities so that they remain connected to their college family.

KNOW YOUR ALUMNI: We share the experiences of alumni personnel, their transitions from being a student to being a work professional.

EXPERT TALKS: "Expert Talks" addresses students' specialization dilemmas with insights from professionals in diverse fields. Through speeches, experts share practical perspectives, offering clarity on real-world applications beyond textbooks. This platform aims to guide students in making informed decisions by providing valuable insights into various specializations.

IMI INSIGHTS

On November 30, 2024, IMI Kolkata hosted Dr. Sanjeev Rastogi, CEO-GCC, Adani Enterprises Limited, for a session on *"Turning Ambitions into Actions."* He emphasized adaptability, lifelong learning, and hard work over talent, inspiring students to overcome fears, gain diverse experiences. His insights inspired students to align their ambitions with perseverance and growth..

On January 11, 2025, IMI Kolkata hosted a Roundtable discussion titled *"HR Disruption in the Digital World: How New HR Trends Are Changing the Workplace"* as part of the IMI Insights series. The event featured Mr. Misal, Talent Acquisition Head at KPMG India, and Ms. Aanchal Tandon, India Lead Campus B-School at HCLTech, moderated by Dr. Roma Puri, Area Chair for OB & HR at IMI Kolkata.

Mr. Misal emphasized embracing change, adopting technology, and ensuring strong data governance to attract and retain diverse talent. Ms. Tandon stressed the importance of prioritizing employee well-being, fostering innovation, and treating employees as internal customers to enhance loyalty and productivity. Both speakers underscored HR's role in balancing technological advancement with a people-first approach.

ALUMNI MENTORSHIP PROGRAMME

IMI Kolkata hosted its very first mentorship programme this year for the present first-year batch (2023-25). In this programme, the alumni joined us to interact with the students to help them gain knowledge from their valuable experiences and insights in order to adapt and thrive through the ever-changing dynamics of the corporate world.

In this session, twenty minutes are allotted to each student, where in the first fifteen minutes the alumni interview the students while in the remaining five minutes, the alumni provide their honest feedback and highlight the areas of improvement.

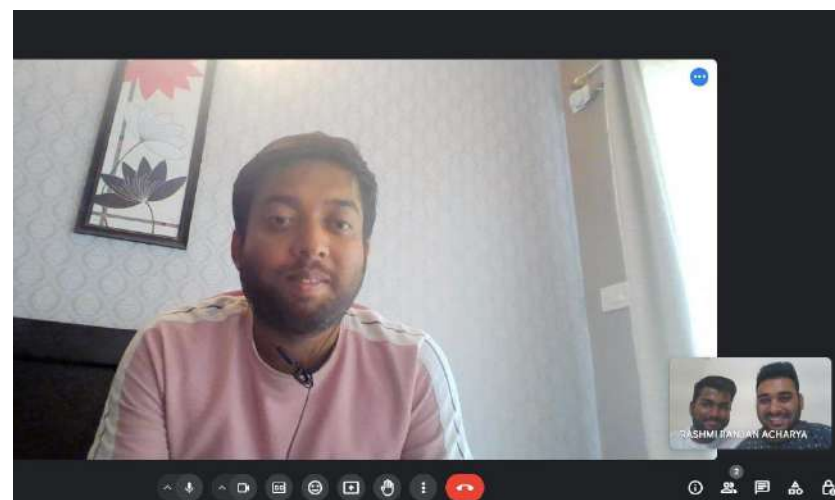

To adapt to the current paradigm, the Institute aims to conduct alumni sessions in a hybrid mode, increasing interaction between alumni and students. Although most alumni conducted interviews online, some from Kolkata preferred to conduct interviews offline by physically coming to the campus.

Some of the alumni who took part in this session are Mr. Debarpan Naha (2015-17), Mr. Shuvam Roy (2016-18), Mr. Souryarup Ghosh (2016-18), Mr. Surya Agarwal (2015-17), Mr. Krishanu Talukdar (2017-19), Mr. Chirag S. MENTOR MENTEE PROGRAMME

Alumni Relations Committee conducted the Mentor – Mentee Programme where the main aim of the program was to assign an alumna or an alumnus for a group of students in order to guide them through their Summer Internship Programme. The Summer Internship Programme is the first connection of a student with the corporate world during his or her MBA tenure and our established alumni network really assisted them in making it a successful episode.

For this year, 20 alumni members mentored almost 114 first-year students of the batch 2023-25 across 14 cities. Some of them are as follows: In Bengaluru, it was Mr. Utanka Das, Ms. Sayantanee Sikdar, and Mr. Shreyash Khaitan. For Pune – Mr. Anuj Bhandari. For Delhi – Mr. Nishant Kumar Singh and Mr. Karan Bhardwaj. For Hyderabad – Mr. Debarpan Naha. For Mumbai – Mr. Ankit Kumar and Mr. Abhishek Pal. For Noida – Mr. Sayak Sinha and Mr. Rajanikant Dubey. In Gurugram, it was Ms. Paridhi Agarwal. For Kolkata, several alumni contributed, including Mr. Jit Naskar, Mr. Avishek Majumdar, Mr. Sombuddha Banerjee, Mr. Vivek Murarka, Ms. Meenakshi Rathi, Ms. Sharmistha Banik, Mr. Subhanu Bhattacharya, Mr. Deepak Bokaria, Mr. Rishav Bhattacharjee, Ms. Aishwarya Chopra Gupta, Mr. Soumyorup Banerjee, and Mr. Surya Agarwal. The program was hugely successful and further strengthened the bridge between the Institute and the Alumni network.

LIVE PROJECTS

Experiences are what shape students and prepare them for the corporate world. At IMI Kolkata, the students get innumerable opportunities through Live Projects with renowned companies and in different domains such as sales, marketing, finance and human resource. These Live Projects help students get industry exposure by putting forth their theoretical knowledge to practice, and in the process engaging in activities that aid in developing the business acumen.

BLOOMBERG TERMINAL

IMI Kolkata has set up a finance lab to equip the students with skill sets that are required for being industry ready. The finance lab currently is equipped with the Bloomberg Professional Service which provides real-time information on various financial instruments. It provides news feed, analytics and messaging services to other professionals.

TEDX - IMI KOLKATA 2024

On the impactful date of December 5, TEDx IMI Kolkata successfully ignited a fervent passion for climate action among students, fostering a vibrant and dynamic exchange of ideas that revolved around the critical theme of "Solutions to Climate Change." A heartfelt expression of gratitude is extended to the Center of Excellence at IMI Kolkata, specifically the 'Environmental Stewardship and Sustainable Initiatives,' whose invaluable support played a pivotal role in orchestrating this noteworthy event.

Guided by an esteemed panel of thought leaders and experts, the forum boasted an impressive lineup of speakers. Mr. Debashis Sen, IAS (Retd.), Founder and CEO of NBC Ltd.; Mr. Anurag Singhal, CA, Founder of BetaFin Partners; Dr. Sujit Paul, Group CEO of ZOTA Healthcare; Mr. Ranju Gopal Barman, Founder of OCNEVO, and Ms. Pallavi Luharuka, Founder & CEO at Royal Bengal Greentech Private Limited.

TEDX - IMI KOLKATA 2024

The alumni network of an Institute is a precious asset of any institution and as the Alumni Relations Committee of IMIK, we feel immense pleasure to curate "IMIKins" the Annual Alumni Magazine.

"IMIKins" is an attempt to put together all the major happenings of the Institute which will help all alumni to stay connected with the growth and development of your own Alma Mater.

The IMI family is very proud of their alumni network who are achieving great heights in their own respective fields and bringing laurels to the name of the Institute.
